## Mobile contenitore, design by Draw Studio

Evoca l'architettura sospesa dei ponti, dove l'equilibrio e la forza si intrecciano in una perfetta simbiosi. Con una struttura completamente a sbalzo, Onis è composto da moduli di contenimento in marmo, ripetuti a creare una sequenza lineare pura, sostenuto alle estremità da una base in metallo che abbraccia i fianchi. Pochi gli elementi in gioco, dunque, che enfatizzano il rigore costruttivo. Spazio allora ai dettagli: finiture materiche, ossidazioni, acidature o bruniture, per le basi che contrastano con la patinata raffinatezza della pietra; una gola a "L" che percorre il frontale e facilita l'apertura; gli interni rifiniti con laccature e pelle. La collezione, che abbraccia tre versioni di mobili (con misure 280 x 55 x 80 cm, 280 x 55 x 60cm, 267 x 55 x 60cm) e il comodino (65 x 45 x 43cm), si allinea con versatile raffinatezza e personalizzazione a ogni stile, dagli ambienti più classici al gusto più eclettico e moderno, assecondando ogni funzione: la praticità di un ufficio o la decorazione di un ricercato living.

Presentato alla Milano Design Week in Tobacco Brown, Oyster Bianco, Breccia Antica.

## Storage cabinet designed by Draw Studio

Onis recalls the architecture suspension of bridges, where balance and strength intertwine in perfect harmony. Its cantilevered structure, with marble modules replicated to create a pure linear sequence, is supported by a metal base embracing its sides. With the less is more vision, few elements are involved, thus emphasizing the constructive rigor and attention to detail and material finishes: cloudy steel or cloudy brass for the bases that contrast with the polished refinement of the stone; an L-shaped groove down the front; the interiors finished with lacquer and leather. Available in three sizes (280 x 55 x 80cm; 280 x 55 x 60cm; 267 x 55 x 60cm) with also a bedside table (65 x 45 x 43cm), the collection can be customized and is fully aligned in its refined versatility, supporting every function: from the most traditional environments to the most eclectic and modern taste, to the practicality of an office or the decoration of a refined living room.

Presented at Milan Design Week in Tobacco Brown, Oyster Bianco and Breccia Antica marble.
